

## **Special Notice #2 from the Benefits Office**

**While on indefinite Layoff you can work another job and still possibly get paid  
your 74% of SUB.**

- **You would have to apply for Unemployment.**
- **Submit the denial** into the kiosk or your home computer from Unemployment.
- **Submit the gross earnings from your job** into the kiosk as other compensated hours.
- Then possibly you would get paid SUB minus the unemployment and minus the gross earnings from the other job.
