### Stewards and Committeeperson Structure

#### **Section 3.**

- (a) In the event of a vacancy of the Chief Steward's position in Unit 1, the Committeeperson shall have the authority to fill that vacancy, pending an election, which will be held within (30) calendar days.
- (b) In the event of a vacancy of the Committeeperson's position in Unit 1, the Plant Shop Committee shall have the authority to fill that vacancy, pending an election, which will be held within thirty (30) calendar days.
- (c) In the event of a non-Chairperson vacancy in Units other than Unit 1, the Chairperson will have the authority to fill the vacancy, pending an election, which will be held within thirty (30) calendar days.
- (d) In the event of a vacancy in the position of Chairperson in Units other than Unit 1, the President of Amalgamated Local 1268 shall fill the vacancy, pending an election, which will be held within thirty (30) calendar days.
- (e) Each Unit's-Chief Stewards and Committeepersons will choose their own alternate.
- (f) In the event of a shift reduction and there being remaining constituents on the shift, the process to determine the Chief Steward that will remain covering the combined district will be done by an election of the current elected Chief Stewards on the shift being reduced. This will only be in effect from the date this bylaw passes and for future shift reductions. Any decisions previously made based on the current practice will not be changed.
- (g) In the event of redistricting on a shift due to a reduction in numbers, contractual redistricting will be done and then whichever districts were affected, the Chief Steward(s) that have been elected for the longest time on that shift of the affected districts, will remain. This will only be in effect from the date it passes and for future reductions. Any decisions previously made based on current practice will not be changed.
