To: All UAW Local Union Officers

Greetings:

The U.S. District Court recently appointed an independent Monitor under the terms of the Consent Decree entered by the Court. One of the Monitor's responsibilities is to administer a Referendum election this coming Fall 2021. The Referendum vote will determine whether the UAW will keep the current method for electing members to the IEB through the delegate system at Constitutional Conventions, or whether the method will be changed to a direct election whereby each UAW member will vote directly to elect the IEB members.

The Monitor and the IEB are working together to ensure that all eligible members are able to vote, and therefore **it is crucial that the UAW's membership lists, including mailing addresses and e-mail addresses, are up to date so that everyone may have a voice in the Referendum.** Accordingly, please immediately contact your local union members, including retired members, and request that they update their mailing addresses and e-mail addresses with the local as soon as possible, but no later than Wednesday, July 28, 2021. As Local Union Officers, it is your responsibility immediately thereafter to prepare and forward an updated mailing list to the International Union via the Local Unions Information System (LUIS). If your Local Union is unable to upload the updated mailing list to LUIS, please send them to [ITDirector@uaw.net](mailto:ITDirector@uaw.net). If you have any issues or questions about updating the membership list through LUIS, please contact the LUIS helpdesk (313-926-4485) or email [ITDirector@uaw.net](mailto:ITDirector@uaw.net) and your inquiry or request for assistance will be handled by the appropriate staff person at the UAW.

Should you have any questions, please contact the LUIS helpdesk (313-926-4485; [ITDirector@uaw.net](mailto:ITDirector@uaw.net)) or the Monitor ([UAWMonitor-Election@jenner.com](mailto:UAWMonitor-Election@jenner.com) or 212-303-2529).

Respectfully,

Ray Curry  
President
